

Systemic Violence in Education: Promise Broken. SUNY Series, Education and Culture: Critical Factors in the Formation of Character and Community in American Life.

J. Epp, A. Watkinson · Published 1997 · Education, Sociology

Naming an experience is central to understanding, analyzing, and deconstructing it. "Systemic violence is any institutionalized practice or procedure that adversely impacts on disadvantaged individuals or groups by burdening them psychologically, culturally, spiritually, economically or physically. It includes practices and procedures that prevent students from learning, thus harming them" (p. 190). The editors of this collection have not only named systemic violence for us, they have presented... Expand

Schooling as Pathogenic: Exploring the Destructive Implications of Globalist Educational Reform

M. D. Berry

Education, Political Science · 2008

The majority of formal schooling, this article contends, is pathogenic. Globalist educational reforms, such as UNESCO's Education for All initiative, create pathological subjectivities through... Expand
